ORDER

WHEREAS, the district of Daman is thickly populated by many small, medium and large scale industries, which employ thousands of skilled, semiskilled and unskilled industrial workers.

AND WHEREAS, it is noticed that the said industrial workers working in various industrial establishments in Daman are either directly under the pay roll of the companies or are employed by the labour contractors, who in turn supply the industrial labourers to various establishments.

AND WHEREAS, it is noticed that the industrial workers/ labours supplied by the labour contractors to various industrial establishments are not provided with appointment order, company's identity card, pay slips, etc. Whereas, it is also seen that the labour contractors are also not keeping photo identity card proofs like EPIC, PAN card, residential proof, etc of the industrial labourers employed by them and deployed to various industrial units/establishments.

AND WHEREAS, not maintaining proper identification details of the industrial workers employed either by the labour contractors or the industrial establishment has created a very fragile situation in the district as it becomes difficult to track a person without identification details if he/she is found involved in any antisocial/anti-national activities.

AND WHEREAS, it is also noticed that in case of unfortunate death of any industrial worker/labourer, due compensation as per law can not be paid by the labour Contractors or the industrial establishment in the absence of the identity details and the details of the next kith and kin of the deceased industrial worker/labourer,

AND WHEREAS, not issuing the identity document like appointment order, company identity card to the industrial worker as mentioned above and also not keeping the identity details like residential proof, EPIC card etc. of the industrial workers employed by them create a very fragile security situation in the district and at times adversely affect working of the law and order agencies while tracking criminals/antisocial/anti-national element.
